

Add CultureWise to Your Phone

Put the Fundamentals one tap away. Three steps puts a CultureWise icon on your home screen, with no app store and no download.

IPHONE (SAFARI)

Share, then Add to Home Screen

ANDROID (CHROME)

Three-dots menu, then Install and create shortcut

Add CultureWise to Your Phone

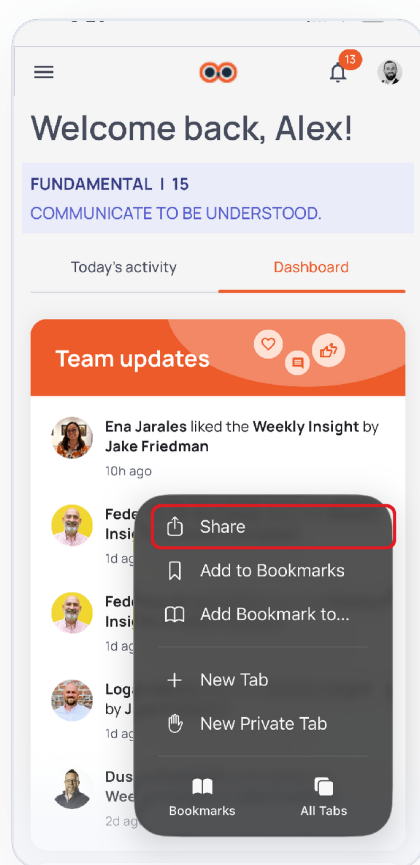

Put the Fundamentals one tap away. Three steps in Safari puts a CultureWise icon on your iPhone home screen, with no app store and no download. Tap what's circled in red.

IPHONE (SAFARI)

Log in at app.culturewise.com first

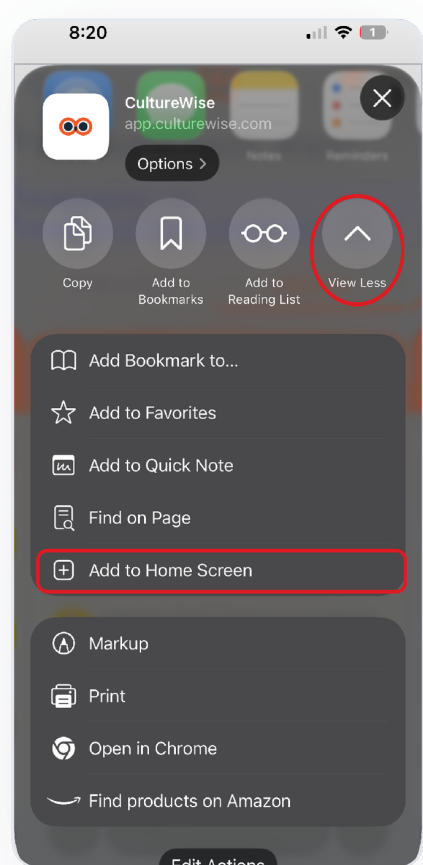

1 Go there, tap Share

In Safari, go to **app.culturewise.com** and log in. Then tap **Share** at the bottom of the screen.

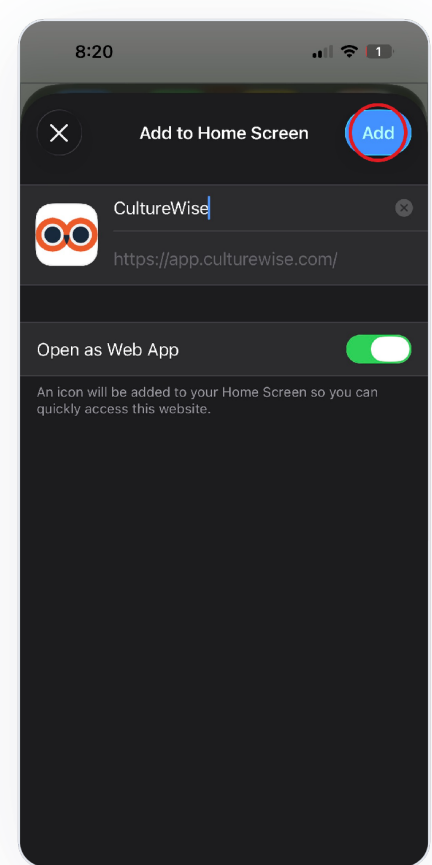

2 View More, then Add to Home Screen

On the share sheet, tap **View More** (top-right circle) to expand the list, then scroll down and tap **Add to Home Screen**.

3 Tap Add and you're done

Keep the name **CultureWise**, leave **Open as Web App** on, and tap **Add**.

Questions?

Ask your CultureWise administrator. Using Android instead? The Chrome steps are on the next page.

Add CultureWise to Your Phone

Same three steps on Android. Chrome installs CultureWise as an app icon on your home screen, with no app store and no download. Tap what's circled in red.

ANDROID (CHROME)

Log in at app.culturewise.com first

1 Go there, log in

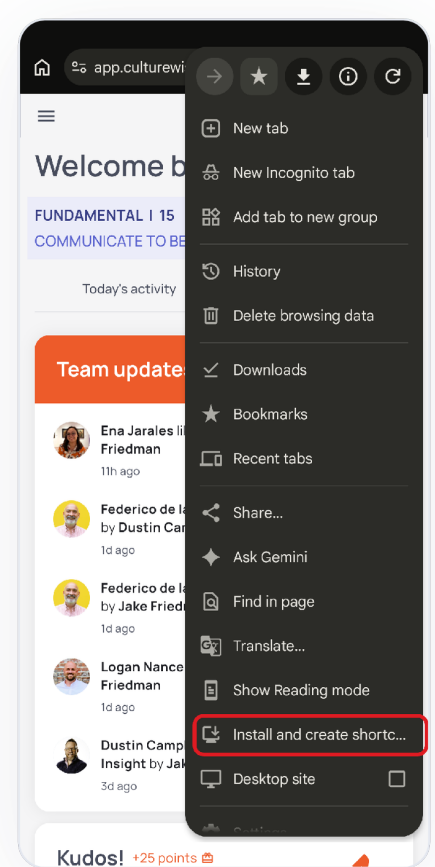

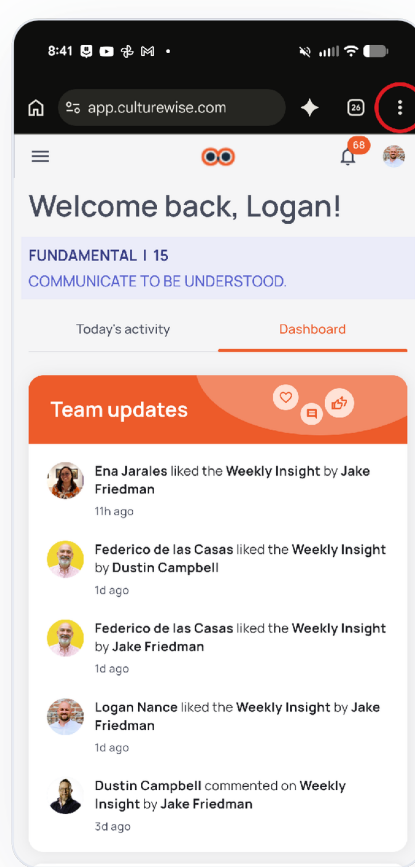

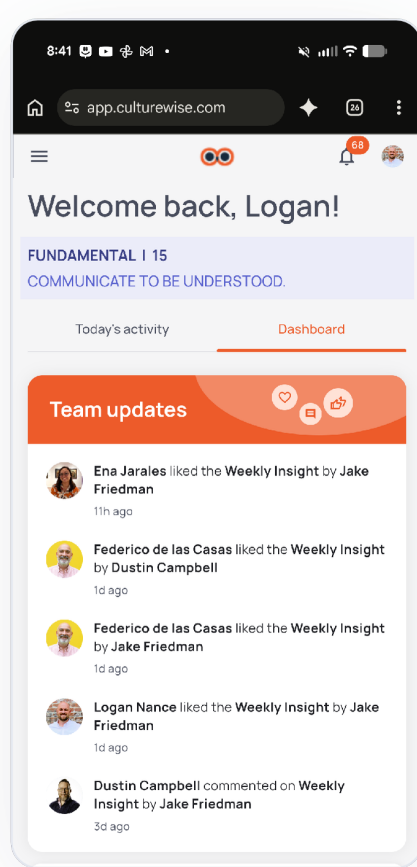

In Chrome, go to **app.culturewise.com** and log in with your email and password.

2 Open the three-dots menu

Tap the **three-dots menu** in the top-right corner of Chrome (circled in red).

3 Install and create shortcut

Scroll the menu and tap **Install and create shortcut**, then confirm. The CultureWise icon lands on your home screen.

Questions?

Ask your CultureWise administrator. Using an iPhone instead? The Safari steps are on the previous page.
